London, England.

Dear Sir:-

I should be very glad to have you send me any coins of Metapontum, or any more in your possession, provided you will assure the usual insurance regarding their loss in transit. I have begun a study on this series and a number of our members, including our President, Mr. Edward T. Newell are interested. In consequence it is possible that a number of the pieces would remain here after examination.

May I ask in the case of pieces valued at more than 15 lbs. that you send plaster casts instead of the coins, if they prove attractive. I can then ask that you send me the ones desired. Kindly have the packages addressed as below.

Very truly yours,

Secretary.

Mr. F. W. Lincoln,

London, England.

Dear Sir:-

Under separate cover I am returning all but two of the Metapontine coins which you sent me. The pieces retained are:

No. 5	-	×1 - 10
" 6	-	3 - 3
		×4 - 13

I regret to report that one of the pieces, happily one of the less valuable ones, must have been injured in the mail for it was damaged when received and fell into two pieces as you will see. I have taken extra precaution in packing these pieces, and trust they will reach you without further mishap.

I should be very glad indeed to have called to my attention any further coins of Metapontum which may come into your possession.

Very truly yours,

Secretary.

Dear Sir,

I am in receipt of your letter  
of 23 Oct. announcing that you are keeping  
Nos 5 and 6 of the Silver Metaphonum coins  
I sent on approval 26 Aug. and that one of  
the coins had been damaged in the mail.

I have since received payment  
of £4.13.0. for the above two, from the Central  
Union Trust Co. to whom I forwarded a  
receipt, and beg to thank you for the payment.

I have been waiting to receive  
the return parcel, but as it does not come  
in, I will not delay any longer, but will get  
this off, and acknowledge the parcel when  
I receive it.

Yours Very Truly
